

Graduate School of Education
Lesley University/ Berwick Academy Collaborative Internship Program
Master of Education – Non-Licensure Program
Course Sequence Sheet (High School Level - Upper School)

See below for a typical course sequence for this program of study. Accepted students in the Collaborative Internship Program follow a required sequence of courses, provided to candidates at the time of acceptance. Any deviations to the sequence must be approved by the assistant director for academic advising. It is recommended that each student meet with the assistant director for academic advising at the beginning of the program to discuss program requirements.

Students must register for all courses through Lesley University, even those taken at the collaborative internship location.
