**Lesley University/ Buckingham Browne and Nichols Collaborative Internship Program**  
**M.Ed. in Early Childhood Leading to Initial Teacher License in Early Childhood Students With and Without Disabilities (PreK-2)**  
**Course Sequence Sheet**

---

*See below for a typical course sequence for this program of study. Accepted students in the Collaborative Internship Program follow a required sequence of courses, provided to candidates at the time of acceptance. Any deviations to the sequence must be approved by the assistant director for academic advising. It is recommended that each student meet with the assistant director for academic advising at the beginning of the program to discuss program requirements.*

Students must register for all courses through Lesley University, even those taken at the collaborative internship location.

\* Students must submit documentation indicating that they have satisfied the MTEL exam requirements before they are allowed to register for the Practicum and Seminar, which begins in January. For current information on state testing requirements for initial licensure programs, Massachusetts Test for Educator Licensure (MTEL) test administration dates, and the Lesley University test policy, see Lesley's Certification Office web page at [www.lesley.edu/certification](http://www.lesley.edu/certification) or speak to your Lesley advisor. In addition, there is a one-credit Affiliation Fee associated with the program. Payment is due with registration for the Practicum and Seminar. Practicum registration requires permission and must be done using a paper registration form rather than online.
