
Grade Center

OVERVIEW

myLesley allows instructors to enter students to track and view their progress in a course with the Grade Center feature. The student can only view their grades. The Grade Center is currently only for myLesley.

Official final semester grades still need to be entered manually by the instructor at www.lesley.edu/lois. The Grade Center in myLesley is informational, not official.

MODIFYING A GRADE COLUMN

Once a grade column is created, the instructor can modify the column properties or delete a column and all of its associated grades.

1. In the Grade Center, click the arrow in the specific grade column header to see more options.

The options presented in the drop down menu include: Column Information, Modify Column, Hide Column, Column Statistics, Set as External Grade or Remove Column.

2. To modify the column properties, choose **Modify Column**.

The "Modify Columns" page will appear on screen.

3. Make any changes or additions to the column properties, and click **Submit** at the bottom of the page to update the grade column.

ENTER OR CHANGE A GRADE

Instructors can manually enter in or change a grade in the Grade Center spreadsheet directly in a grade cell.

1. Click the cell in the column next to the student being graded. The cell will become an editable area.

2. Type in the grade and hit **Enter** on the keyboard. The grade will be saved in the spreadsheet and the next grade cell in the column will become active. Instructors can edit and delete a grade using the same one-click editing function in the Grade Center.

GRADE OPTIONS

Once a grade has been entered into the Grade Center, the instructor can view and edit details associated to the grade.

1. In the grade cell, click the arrow on the right side to view more options.

There are three options shown in the cell drop down list: Grade Details, Add Comment and Exempt Grade.

Please refer to the myLesley Faculty Handbook: Grade Center for more information and instructions on the Grade Center features (available on the eLearning and Instructional Support resources page at <http://www.lesley.edu/elis/resources/mylesleytutorials.html>).
