2022 CAEP Annual Report Prepared by Se-ah Siegel, GSOE Office of Assessment and Accreditation April 15, 2022

## Measure 4 (Initial and Advanced): Ability of completers to be hired in positions for which they have prepared.

Data displayed reflect the employment rate of most recent graduates. The employment rate of the graduates from the 2020-2021 academic year won't be available until the next CAEP reporting cycle), so data displayed reflect most recent Lesley graduates who are hired in local Massachusetts public schools districts during the data collection period of April 2022. The other graduates choose employment in private or out of state schools.
